PUBLIC UTILITIES COMMISSION

Docket No. 2001-721

November 20, 2001

CENTRAL MAINE POWER COMPANY
Request for Approval of Affiliated Interest
Transaction With On-Target to Install And
Test Fiber Optic Cable in Two Locations
In Southern Maine

ORDER

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

I. SUMMARY

In this Order, we approve an affiliated interest transaction between Central Maine Power Company (CMP) and its affiliate Union Water Power Company (Union), through Union's "On-Target" business division, whereby On-Target will install fiber optic cable for CMP.

II. BACKGROUND

On October 17, 2001, CMP filed a request for approval of an affiliated interest transaction with Union. The transaction involves installation of fiber optic cable in two locations in southern Maine. One will be an approximate 400-foot run from Route 202 to CMP's Alfred Service Center. The other is an approximate 1000-foot run in Sanford, Maine. CMP issued a request for quotation (RFQ) on September 21, 2001, to four companies and received four bids. On-Target was selected as the low-cost vendor through the competitive bid process.

III. DECISION

No public utility may arrange for the furnishing of any service with an affiliated interest until the Commission finds that the arrangement is not adverse to the public interest. 35-A M.R.S.A. § 707(3). In previous arrangements between Union and CMP approved by this Commission, the Commission has considered whether the arrangement has been made on an arms-length basis. Entering into a contract with an affiliate based on that affiliate's submitting the lowest bid through a fair bidding process is one indicator that a transaction is arms-length and likely to be in the public interest. The material¹ submitted with CMP's petition indicates that a fair bidding procedure took place and that On-Target was chosen based on its submitting the lowest bid.

¹On October 17, 2001, CMP requested a protective order covering the materials submitted by bidders in response to RFQ. The Presiding Officer issued a Protective Order on October 17 and CMP submitted the confidential information on October 19, 2001.

Accordingly, we

O R D E R

That the arrangement between Central Maine Power Company and Union Water Power Company described in CMP's petition filed October 17 and 19, 2001, is approved.

Dated at Augusta, Maine, this 20th day of November, 2001.
